

Show your appreciation for the teacher in your life by giving them a gift with meaning. Rather than the usual box of chocolates, give a favourite teacher a UNICEF Gift of Education. By supplying pencils, exercise books or art supplies to children who have none, your gift can help provide hope for a brighter future.

### UNICEF gifts of magic®

#### PENCILS FOR A SCHOOL

With a single UNICEF box of 900 pencils, you can provide the most basic educational tools for young scholars to write their own future.
